

YOU BELONG : REASON No. 13

OUR STOCK IS IN YOU.

When you join a credit union, you become part of a family that invests in its members and the local community. That's because credit unions are not-for-profit organizations whose sole purpose is the financial well-being of its members -- people just like you. So as the credit union grows, you benefit, not a select group of stockholders. That's an investment we can all feel good about. To check out other reasons why you belong, or to find the credit union nearest you, visit www.you-belong.org.
